B. S. NARASINGA RAO, *P. W. Secy.*

GENERAL SECRETARIAT

Notification dated Bangalore, the 20th March 1947.

No. S. R. 3652—L. W. 196-46-2. Under Section 12 (4) of the Mysore Labour Act, XIII of 1942, the Government of His Highness the Maharaja of Mysore are pleased to publish for general information the accompanying report of the Chief Conciliator in Mysore in respect of the failure of the conciliation proceedings in the dispute between the Labour Association of the Mysore Iron and Steel Works, Bhadravati and the concerned Works Management in regard to a notice of change given by the said Association putting forth certain demands set forth therein.

6996 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

Dated 8th March 1947.

To

The Secretary to the Government of Mysore.
General Department,
Bangalore.

Sir,

No. C. C. 15—46. I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Mysore Iron and Steel Works Labour Association, Bhadravati, and the concerned Works Management, in regard to a notice of change given by the said Association putting forth the following nine demands :—

Demand No. 1.—*Re* grant of a heat allowance of Re. 0-4-0 per day, and also grant of a day's 'off' (with pay) per week, to all the employees working in heat departments;

Demand No. 2.—*Re* sanction of a bonus of four months' salary to all the employees who have worked hard so that the works may earn more profit.

Demand No. 3.—*Re* payment of 15 months' salary as gratuity to all the retired employees, along with the Provident Fund.

Demand No. 4.—*Re* enhancement of salaries and wages by 25 per cent and grant of increments each year

Demand No. 5.—*Re* providing of houses (works' quarters) to each of the employees within a year.

Demand No. 6.—*Re* the minimum earnings of each employee not to be less than one rupee per day.

Demand No. 7.—*Re* grant of an Industrial court with two representatives of the labourers, two representatives of the Management and a Judge appointed by Government.

Demand No. 8.—*Re* confirmation of temporary employees working for one year and more in their appointments.

Demand No. 9.—*Re* full pay and dearness allowance to employees who meet with accidents during the period of their disablement.

(2) The Secretary of the Labour Association gave to the concerned Works Management a notice of change in respect of the above case, desiring several changes as set out above. As the Management did not accept these demands and as the parties did not come to an agreement during the negotiations conducted by the Assistant Commissioner of Labour, Mysore Division, the Commissioner of Labour referred the case to this Office for initiating conciliation proceedings under Section 10 (3) of the Labour Act.

(3) The case was accordingly registered and intimations to the parties were issued for hearing. I held conciliation proceedings at Bangalore on 7th March 1947 and discussed at some length the several items of Demands.

(4) The Management was represented by Mr. M. K. Narasimhan, General Manager of the Works assisted by Mr. Ganapathi, Chief Welfare and Labour Officer of the Works, while Mr. N. Venkata Rao, President of the Association assisted by the Vice-President and the Secretary represented the Association. The Assistant Commissioner of Labour, Mysore Division (Mr. C. N. Nanjappa) was present throughout.

(5) The several items of demands were considered one by one and discussed fully on both sides with the following result :—

Demand No. 1.—*Re grant of heat allowance and the grant of a day's off (with pay) per week to all the employees working in heat department.*—The Association representative stated that this is very necessary and that heat allowance is being paid in the Heat Departments in other similar works and that the same should be paid here also. He quoted Tata's as an instance where such allowance is being paid. The Management representative states that the wages in various sections have all been fixed after detailed consideration of the
